
ELIZABETH E. COPPOCK

Associate Professor of Linguistics
College of Arts and Sciences
Boston University

DEGREES & QUALIFICATIONS

December, 2013 Docent in Linguistics, University of Gothenburg

January, 2009 Ph.D. in Linguistics, Stanford University

June, 2002 B.A. *cum laude* in Linguistics, Northwestern University
Minor in Computer and Information Sciences

ACADEMIC POSITIONS

Sept 2017- Present Associate Professor (tenured May 2024)
Department of Linguistics
Boston University

July 2016- June 2020 Assistant Professor
Department of Philosophy, Linguistics, and Theory of Science
University of Gothenburg, Sweden
(20% after September 1, 2017)

July 2014- Sept 2017 Riksbankens Jubileumsfonds *Pro Futura Scientia* Fellow
Swedish Collegium for Advanced Study, Uppsala University
Host University: University of Gothenburg

Sept 2012- Sept 2017 Researcher
Department of Philosophy, Linguistics, and Theory of Science
University of Gothenburg, Sweden

Sept 2011- Sept 2012 Junior Professor in Semantics
Department of General Linguistics
Heinrich Heine University, Germany

Sept 2010- Sept 2011 Postdoctoral Researcher
Centre for Languages and Literature
Lund University, Sweden

Jan-Sept 2010 Visiting Scholar
Department of Linguistics
University of Texas at Austin

INDUSTRY POSITIONS

- 2001, 2002, 2009–2010 Member of the Technical Staff, Natural Language Department
Cycorp, Inc., Austin, Texas
- 2001, 2002, 2003 Researcher, Natural Language and Linguistic Theory Group
Palo Alto Research Center, Palo Alto, California

INVITED TALKS & COLLOQUIA

Division vs. Distributivity: Is *per* just like *each*? Invited talk in the math and computer science graduate seminar at Northeastern University, April 2023.

Cross-linguistic computational pragmatics. Invited talk in the Boston University Computational Humanities, Arts and Social Sciences Initiative, April 2023.

Degree multiplication in natural language. Invited colloquium at New York University (NYU), March 2023.

Degree multiplication in natural language. Invited colloquium at Yale University, March 2023.

Toward a typology of ratio markers. Invited talk at Harvard Linguistics Circle, November 2022.

Multiplicative magnitudes. Invited talk at NYU Philosophy of Language Workshop, New York, NY, February 2020.

Range expressions ameliorate Depictive Sincerity violations. Workshop on the occasion of Dominique Blok's dissertation defense, Utrecht, June 2019.

Object Agreement in Hungarian: In defense of a semantic solution. Keynote address at the 14th International Conference on the Structure of Hungarian, Potsdam, June 2019.

Definite comparative descriptions: The more superlative-like comparative construction. Invited talk in SuSurrus series, University of Massachusetts at Amherst, April, 2019.

Relative readings of definite comparatives. Invited talk at DGfS workshop "Sorting out the concepts behind definiteness", held March 2019 in Bremen, Germany.

Typological and experimental evidence for a refined view on proportional most. Keynote address at workshop "Quantity in language and thought", held in conjunction with the European Summer School in Logic, Language and Information (ESSLLI), August 2018, Sofia, Bulgaria.

Most vs. *the most* in languages where *the more* means *most*. University of California at Santa Cruz linguistics colloquium series, May 2018.

Targeted Comparative Fieldwork. Boston University Junior Faculty Colloquium series, April 2018.

Speedbumps on the compositional route to proportional MOST. Invited talk, Carleton University linguistics colloquium series, Ottawa, CA, March 2018.

Speedbumps on the compositional route to proportional MOST. Invited talk, McGill linguistics colloquium series, Montreal, CA, March 2018.

Proportional MOST is more than MANY + EST: Evidence from universals and variation. Invited talk, Yale University, February 2018.

Forces at the interface of gradability and quantification. Invited talk, Georgetown University linguistics colloquium series, January 2018.

Outlook-based semantics. Boston University Philosophy Workshop, January 2018.

Proportional implies relative: A typological universal. Invited talk, Harvard Linguistic Universals Workshop, September 2017.

Proportional implies relative: A typological universal. Invited talk, Johns Hopkins University Cognitive Science colloquium, September 2017.

The Proper Treatment of Egophoricity in Kathmandu Newari. Invited talk, Bridge day workshop, Stockholm University, May, 2017.

Simple relativism vs. world-judge relativism. Invited talk, Workshop on Subjectivity in Language and Thought, University of Chicago, May, 2017.

Tales from a legal battle over exclusives and exceptives. Invited talk, Workshop on Historical Semantics and Legal Interpretation, University of Chicago, May, 2017.

Egophoricity and centered intensions. Invited speaker, Workshop on The Problem of De Se: Perspectives from Linguistics and Philosophy, University of Oslo, March 2017.

Outlook-based semantics. Invited colloquium at Stanford University, January 2017.

Outlook-based semantics. Invited ROSE seminar, University of Utrecht, November 2016.

‘The X’ files: Deriving familiarity conditions on definites from uniqueness. Invited DiP seminar, University of Amsterdam, October 2016.

Definiteness and determinacy. Invited keynote speaker at New Ideas in Semantics and Modeling, Paris, September 2016.

The proper treatment of egophoricity in Kathmandu Newari. Invitation-based special session on perspectival expressions and the de se cross-linguistically, Linguistic Society of America meeting, January 2016. With Stephen Wechsler.

Interrogative flip. Invited speaker at ‘Questions in Pragmatics’ workshop, held in conjunction with Amsterdam Colloquium, December 2015.

Horn alternatives and Hamblin alternatives. Invited ROSE seminar, Utrecht University, December 2015.

Outlook-based semantics. Invited colloquium, Stockholm University department of philosophy, October 2015.

Outlook-based semantics. Invited 'Discourse in Pragmatics' seminar, University of Amsterdam, October 2015.

Raising and resolving issues with scalar modifiers. Guest lecture, University of Amsterdam, December 2014.

Quasi-definites in Swedish. Joint Uppsala University and Stockholm University Grammar Colloquium, November 2014.

Outlook-based semantics: simple relativism for discretionary predicates. Higher seminar in theoretical philosophy, Uppsala University, November, 2014.

What do comparative and superlative modifiers have to do with comparatives and superlatives? With Chris Kennedy. Workshop 'Two Days At Least', Utrecht University, September, 2014.

Scalar modifiers in inquisitive semantics with ordered alternatives. The Fifth Meeting of the DFG Network on Questions in Discourse, Stuttgart, May, 2014.

Definiteness without existence. University of Gothenburg Philosophical Society Lecture Series, April, 2013.

Weak uniqueness: the only difference between definites and indefinites. Workshop on Bare Nominals and Non-Standard Definites, Utrecht University, March, 2013.

Why 'at most three beers' is not the same as 'fewer than four beers'. Grammar Festival, University of Gothenburg, March, 2013.

Exclusive relationships: What the single man, the mere man, and the only man have in common. University of Potsdam/ZAS, Berlin, November, 2011.

The unity and diversity of exclusives in English. Gothenburg University Department of Swedish Colloquium Series, May, 2011.

The objective conjugation in Hungarian: agreement without ϕ -features. Grammar seminar, Center for Languages and Literature, Lund University, March, 2010.

A translation from logic to English with dynamic semantics. Jožef Stefan Institute, Slovenia, March, 2010.

GRANTS AND AWARDS

2020	Undergraduate Research Opportunity Program Outstanding Mentor Award
2019	Hariri Institute for Computing

Research Incubation Award #2018-10-005
Bridging Linguistic and Visual Knowledge through Visual Genome
Co-PI: Asst. Prof. Derry Wijawa, BU Computer Science
(\$28,384 over 2 years)

- 2015 Swedish Research Council, Project Grant (HS)
Title: *'Most' and more: Quantity superlatives across languages*
(4,600,000 SEK over 4 years)
- 2013 Riksbankens Jubileumsfond's *Pro Futura Scientia* fellowship
(five years of research funding, and a permanent position at the nominating university, viz. University of Gothenburg)
- 2010 Swedish Research Council, Postdoctoral Position in Sweden
Title: *Pathways from pronoun to agreement and their destinations*
(1,624,000 SEK over 2 years)
- 2002 Abraham Demoz Prize for Undergraduate Excellence in Linguistics (First Prize), Northwestern University
